Our 2011-2012 series will delight you with a blend of choral, orchestral and organ greats. Hear renowned organists Martin Jean and Michael Shake on HPPC's landmark sanctuary organ. Experience the thrilling sounds of the HPPC Chancel Choir performing stirring sacred works, including Handel's *Messiah* – a cherished Christmas tradition – and Duruflé's ethereal *Requiem*. And don't miss the Highland Park Chorale in two memorable concerts this season, including the second installment in their "4 Voices" series.

Great art enriches us all. Please support the Highlander Concert Series today as a season Patron. Your generous gift ensures our ability to continue providing free concerts for our community as well as an experience of music that cannot be found elsewhere.
